The Ottawa Fringe Thanks You

The Ottawa Fringe Festival is a charitable non-profit with a mandate to provide a stage for the performing arts that is as accessible to artists as it is for audiences. Director's Message

Welcome to the 2019 Ottawa Fringe!

It's Festival Season in Ottawa. Three glorious months of art, food, culture, and (fingers crossed) sunshine. Whether it's your first time at the Fringe or your fifteenth, we're glad that you're here – and we're sure that you will be too.

This year's Festival features 54 shows from Ottawa and beyond. In addition to our dynamite line-up of local artists, we're welcoming performers from as far away as California, the Yukon, and the United Kingdom (to name a few); presenting comedies, musicals, dance, storytelling, puppetry, magic, improv, circus, satire, and Shakespeare (and more!). If you want it, we've got it.

There's lots that's new this year: we're proud to announce that all of our venues are now physically accessible – the addition of the University of Ottawa's brand new LabO and Studio 1201 spaces means everyone can access all of our shows; we're also introducing some brand new BYOVs this year – make time to give these spaces a visit.

And most exciting of all, our outdoor Courtyard is back! Located at 67 Nicholas on the west side of Arts Court, the Courtyard is where you can grab a drink, hit up a food truck, and relax while waiting for your next show to begin. All Fringed out for the day? Hang out and relax while taking in some of the free programming on the Downtown Rideau stage.

So get out your pen and start pouring through the program. Not sure what to see? Pick something at random and have an adventure. You're here... now see as many shows as you can!

Patrick Gauthier
Festival Director

CAFF Message

This year the Canadian Association of Fringe Festivals (CAFF) turns 25 years old!

Although Fringes have existed long before we did as an organization, we pride ourselves on the long-term support we have offered our member festivals over the years, and the foundation we have laid for the years to come.

We currently have 33 member festivals spanning Canada and the USA and we exist as an organization to unite, support, empower, and strengthen our member festivals in order to cultivate and foster independent artistic exploration for artists and audiences across North America.

CAFF members return 100% of the ticket price back to the artists and all festivals are selected either by lottery or on a first come/first served basis, ensuring that everyone has the same opportunity to tell their story on stage.

The CAFF member festivals are so lucky to be able to present to you a wide array of artists, some established and some telling their stories for the very first time. Supporting those artists are the festival producers, front of house staff, technicians, production managers, and countless others, as well as an incredibly dedicated team of volunteers at every festival. I want to take this opportunity to thank every one of those people who help facilitate these wonderful festivals because we all believe in the collective movement of Fringe, and that is truly a powerful thing.

So thank you for being here, for taking some of your time to see a show or two, and for supporting your local Fringe festival.

Lucy Eveleigh
CAFF President

SOLO, COOKING SHOW
